

Radiation Protection (Safety and Security of Radiation Sources)
(Amendment) Regulations, 2011

IT is hereby notified that the Minister of Health and Child Welfare has, in terms of section 22 of the Radiation Protection Act [Chapter 15:15], made the following amendment to the Radiation Protection (Safety and Security of Radiation Sources) Regulations—

Title

1. These regulations may be cited as the Radiation Protection (Safety and Security of Radiation Sources) (Amendment) Regulations, 2011.

2. The Radiation Protection (Safety and Security of Radiation Sources) Regulations, 2011, published in Statutory Instrument 62 of 2011 (hereinafter called “the principal regulations”) are amended by the insertion after section 7(2) of the following subsection—

“(2)(a) The fees for registration or renewal of registration and licences issued or renewed are specified in the Third Schedule.”

3. The principal regulations are further amended by the insertion after the Second Schedule of the following Schedule—

“THIRD SCHEDULE (Section 7)

	US\$
1. Application for licence to import radioactive substances—	
(a) radiopharmaceuticals (<i>per annum</i>)	300,00
(b) sealed radioactive sources (per source, licence valid for three months)	600,00
2. Application for registration of apparatus and application for renewal of registration of apparatus—	
Class 1: Application for initial registration of apparatus	600,00
Application for the renewal of annual registration of apparatus	250,00
Application to store and possess	250,00
Application for the renewal of licence to store and possess	100,00
